Subject: RE: SABSO/ORD management meeting

The draft ISA has been cleared for making the HERO version public online, for distributing it to CASAC in both the HERO and HERONet versions. I'm drafting the transmittal memo now (signed and unsigned versions) and plan to send it to Aaron today.

Dear SABSO team,

I am in RTP – Kris might be airborne on her way to Florida. And John is on travel (but available). Can we set up skype or conference call?

Thanks,

Tina
